

67% of investors are looking for solutions that offer balanced growth with some level of protection.¹

This is why helping clients understand how annuities work, and the features they provide, can be key to helping them meet their financial goals.

Would your clients be interested in a product that provides a level of protection in down markets and participation in growth opportunities in up markets — all with no annual fees?

[Learn how a Brighthouse Shield[®] Annuity works](#) and how the diversification it offers can add to your clients' overall retirement portfolios.
